

Setting up your Dropbox

1. A little blue box will appear at the bottom of your screen in the right corner.

2. Click the little box in the bottom corner. To a menu that looks like this.

looks like

3. You can go to the dropbox website or you can go to

your folder which looks like this.

4. It looks like an ordinary folder but whatever you save to this folder saves to the dropbox website too.
